

It gives me immense pleasure to say that I could be a part of KLS GIT. It helped me to grow both academically & as a person. This institute gives us ample opportunities to project our skills, technical as well as artistic. During 3 years of my journey, I have gained the knowledge and skills that helped to develop my future career.

I am thankful to all my faculty for being so supportive. Events organized at the institute has helped me to grow.

I am grateful to the efforts of our placement cell that helped me to get placed in one of the best IT company.
